Admiral C. Stansfield Turner
Director, Central Intelligence Agency
Washington, D.C. 20505

Dear Admiral Turner:

We were most pleased to learn from Lieutenant Commander [redacted] of your acceptance of our invitation to address a Town Hall meeting on Thursday, August 10, 1978.

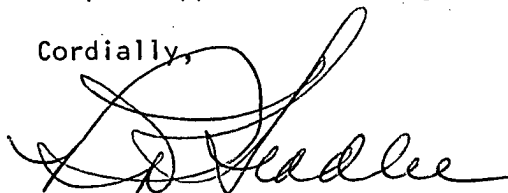

The meeting will be held at 12 noon at the Disneyland Hotel, South Ballroom, 1441 South West Street, Anaheim.

Because of radio timing we suggest that you plan a direct presentation of about 30 minutes. This will be followed by a question-and-answer period in which questions are asked from the floor.

For our announcement of your appearance in our weekly publication, we will need the title of your talk, several key (preferably controversial) ideas from it, current biographical information, plus a glossy photograph. To meet printing deadlines, we need this material byMONDAY, JUNE 19.

Please let me know if you have questions. I am looking forward to your appearance with great pleasure.

Cordially,

Rolland D. Headlee
Executive Director
